

**PRICE COUNTY SCHOOL
DISTRICT MAP, 1912
Identification Guide**

Only schools operating in 1912 are listed on this map and some built in 1912 are not noted on it. We have put in the name we believe the school was called at that time and in parentheses later or earlier names. The section, town and range have been added and, again, the site on this map is shown with the section noted in CSR or CSR II placed in parentheses.
