

AVPL LC-SQ-WA - LED Light Column Square

Description

The Light Column sets the standard for producing an eye catching and calming visual display in public areas, while taking advantage of an energy saving LED light source. The Light Column is suited for both classic and modern architecture. This luminaire creates a stylish effect at night, and possesses attractive decor during the day.

Materials

Two-piece aluminum base cover

Stainless Steel Hardware

Extruded aluminum straight 6" square shaft and cap

White acrylic lens mounts to extruded aluminum shaft and cap, fully gasketed using molded high temperature silicon

Aluminum boards with rated life 50,000 hours

TGIC thermoset polyester powder coat finish is electrostatically applied at a 3.0 mil nominal thickness. A five stage metal pre-treatment process and sealer provide maximum corrosion resistance. The powder top coat is baked in excess of 400 degrees for supreme endurance.

5 year warranty on LEDs
